1977 OUTLOOK

"Young, fast, hard working and talented." These are the words that veteran coach "Jack" Jackson uses to describe his 1977 Terrapin baseball squad.

After an impressive fall showing Jackson is very optimistic about the upcoming ACC season. "We suffered some key losses but overall I feel we have improved ourselves." The key losses included pitchers Bob Ferris (6-4), Jim Raska (7-1), leading hitter Darrell Corradini (.387), shortstop Scott Christopher (.308), first baseman Frank Kemp (.260), and third baseman Dave Kurtz (.246).

Jackson had a fine recruiting year obtaining players from as far away as Buffalo, N.Y. and Heidelberg, Germany. In all there are fifteen new faces and seventeen returnees on the Terrapin squad.

PITCHING Maryland finished tenth in the nation last year with an ERA of 2.52. The Terp mound corps hopes to improve on that this season. Although young, there is much talent on the staff. Returnees include Mike Brashears, George Thomas, Ed Armstrong, Mark Jackman and Ron McNally. Brashears (4-2, 3.08) Thomas (0-1, 2.18), Armstrong (2-0, 1.31) and Jackman (0-3, 4.91) are expected to see starting action while McNally will be a reliever. New faces include John Hartsell (a transfer from American U.), Gordon Hawkins (a high school All-American), Scott Venturelli, Tom Kelly, Steve Hagerman, Jeff Hansberger and Gary Honey.

CATCHING Chris Hudson (.274) is expected to lead the experienced catching corps. Mike Morris and Clifton Parker provide capable backup.

FIRST BASE Gary Bishop looms as the starter in this hotly contested position. Steve Frattaroli, out last year with an injury, and Keith Showell, all-European last year, provide excellent competition in what is possibly Maryland's deepest position.

SECOND BASE All ACC second baseman Frank Thomas (.308) will be hard to beat out. Brian McGuire provides a good glove and strong bat as our utility infielder.

THIRD BASE A pleasant surprise at Maryland's usual trouble spot is in this year's picture. Billy Owens, who tore up the Maryland Industrial League both offensively and defensively last summer, seems to have won the starting nod. Constant pressure is being applied by Ed Trietley for the starting berth.

SHORTSTOP One of Maryland's biggest needs this season was to fill the position vacated by the graduation of Scott Christopher, who has since signed with the Orioles. Jackson feels he has met the challenge with Mark Harris, an excellent fielder and good leadoff hitter. Harris will be pressed by Kenny Buch, another freshman.

OUTFIELD Sam Housley (.313) returns to anchor the outfield for the Terps. The other two spots are up for grabs with Dickie Cann, Mark Poehlman and Billy Gardner having the inside track but hotly contested by John Norris, Scott Smith and Keith Fluker.

Look for the Terrapins to again be in the thick of the ACC race.

HEAD COACH

Coach "Jack" Jackson begins his 17th campaign as Head Coach with this years Terrapin Baseball Team. Jackson succeeded H. Burton Shipley who retired after 37 years with the University in 1960.

Upon graduation from Patterson Park High School in Baltimore, Jackson signed with the Philadelphia Athletics as a shortstop. He remained in the A's farm system until 1952 when he entered the Army. While playing professional ball, Jackson made the Tobacco State League All-Star Team in his first year. In 1949 he led the Central Association League shortstops in fielding and in 1950, while with Fayetteville, in the Carolina League, he tied the league record for assists by a shortstop in a single game.

Jackson has been associated with Maryland Baseball since 1955. As an undergraduate he assisted Shipley with the varsity while coaching the freshman team. His 230-166-5 overall record is the best by a Maryland Baseball Coach. He has also led the Terps to three ACC Titles.

Coach Jackson and his wife Peggy have three children, Jennifer 16, Jackie 14, and Julie 11.
